

**ADDENDUM NO. 1
TO THE
CONTRACT DOCUMENTS
FOR
REQUEST FOR PROPOSAL (RFP)
FOR PROFESSIONAL DESIGN SERVICES
MISCELLANEOUS SMALL BRIDGE REPLACEMENT PROJECTS**

February 9, 2024

To ALL Planholders:

The following changes, additions and/or deletions are hereby made a part of the RFP documents as fully and completely as if the same were fully set forth therein:

- **Add:** Goods and Services Contract – Please find an example Goods and Services Contract attached as Appendix “A.”
- **Delete:** Part II.B.1(a) - “The Proposer wishes to be considered for one or both bridge projects and if one, identify which bridge project the proposal is addressing.” This does not apply.
- **Delete:** Part II.B.2 – “Current assignments and location of key members and whether these key current assignments will be in conflict with the ability to address work as it is identified;” This does not apply.
- **Replace:** Part II.B.4. Project Understanding with the following:
“This section should include a narrative illustrating a clear and concise understanding of bridge projects in general as well as the chief issues to be addressed in replacing an existing bridge with the least impact as possible. The Consultant should be knowledgeable of applicable standard solutions as well as be able to offer examples of innovative ideas they may have utilized in the past. It is important that the Consultant demonstrate an ability to synthesize technical information and communicate this information in verbal, written, or graphic form.”
- **Delete:** Part II.B.5 – “Aggressive, but feasible, project schedule.” This does not apply.

As stated in the RFP, “Substantive questions and answers will be made available to all known RFP recipients; and when appropriate, revisions, substitutions, or clarifications will be issued as official addenda.” As there is no direct way to track the holders who have downloaded the RFP off of the website, this Addendum No. 1 will be posted on the webpage and will be forwarded to those companies already in contact with the County. An updated RFP with cross-through text will also be uploaded to the website.
