EVALUATION PROCESS AND CRITERIA

Evaluation Committee. A BCHC committee will evaluate all responsive proposals. The committee will be composed of County staff and other parties that may have relevant expertise or experience. The committee

will score and recommend proposals in accordance with the evaluation criteria set forth in this RFP. Evaluation of the proposals shall be within the sole judgment and discretion of the BCHC evaluation committee members.

Categories. The evaluation criteria and their respective weights are as follows:

CATEGORIES	MAXIMUM POINTS POSSIBLE
Experience and qualifications	12
Ability to provide a Collector for processing samples	11
Sliding fee scale	11
Ability to testify in the court of law	11
Quality Control Program	11
A La Carte panel and customized panel pricing	11
Interface costs (setup and maintenance)	11
Provide access to a toxicologist and toxicology interpretation	11

Best Value. BCHC will select the proposal that presents the best value and is most advantageous to the BCHC and the public. Accordingly, BCHC may not necessarily award the proposer with the lowest price proposal if doing so would not be in the overall best interest of BCHC. BCHC reserves the right to expand or reduce the proposed scope of work during the contract negotiations based on budget constraints.

BCHC strongly encourages the participation of Minority-Owned, Women-Owned, and Emerging Small Businesses and Organizations in providing these services.

INTERGOVERNMENTAL PARTICIPATION:

Pursuant to Oregon Revised Statute 279A.215, other Benton County Departments, governmental agencies, bodies or districts (“Participating Agencies”) may participate in the award resulting from BENTON COUNTY’S RFP 2325-02 as if said agencies had generated the RFP and made this award on their own behalf. The Contractor shall have the option of declining participation in any such agreement; that is, Contractor participation in Work or sales resulting from use of the solicitation shall be voluntary. If the Contractor chooses to participate in such agreements, all agency relationships including those for contract administration, ordering, deliveries, approvals, billing and collections shall be between the Participating Agency and the Contractor. Benton County, except for the enabling solicitation and contract, shall not participate in any commercial activity between the Contractor and the Participating Agency. If the Contractor agrees to participate, all such participation shall be on the basis of the RFP and the resulting award except that reasonable changes in pricing and terms may be negotiated directly between the Participating Agency and the Contractor to accommodate differences in delivery distances and local conditions. All such changes shall be solely between the Contractor and the Participating Agency

PROTEST AND APPEALS

A proposer may protest the award of a contract or the intent to award a contract, whichever comes first, if the conditions set forth in BCC 2.805 are satisfied. The protest must be submitted in writing by mail, courier or hand delivery to Benton County's County Administrator within fourteen (14) days after issuance of the notice of intent to award the contract.

County Administrator's Office
Attn: Rachel McEneny, Benton County Administrator
4500 SW Research Way
Corvallis, OR 97333

All letters of protest shall clearly identify the reasons and basis for the protest. Benton County's County Administrator will issue a written disposition in a timely manner as set forth in BCC 2.805, which shall include the reason for the action taken and the process for appealing the decision. A proposer may file a written appeal with the Benton County Board of Commissioners; there are no further appeals beyond the Board of Commissioners.

CONTRACT NEGOTIATION

The County will initiate contract negotiations with the responsive and responsible Proposer with the highest scoring proposal. Benton County may, at its option, elect to negotiate general contract terms and conditions, services, pricing, implementation schedules, and such other terms as the County determines are in the County's best interest. If negotiations fail to result in a contract, the County reserves the right to terminate the negotiations and initiate contract negotiations with the next highest scoring responsive and responsible Proposer. This process may continue until a contract agreement is reached.

CONTRACT FORM

By submitting a proposal, proposer agrees to comply with the requirements of the RFP, including the terms and conditions of the Sample Contract for Services (Exhibit 1). Proposer shall review the attached Contract for Services and note exceptions. Unless proposer notes exceptions in its proposal, the County intends to enter into a Contract for Services with the successful proposer substantially in the form set forth in Contract for Services (Exhibit 1). It may be possible to negotiate some provisions of the final Contract for Services; however, many provisions cannot be changed. Proposer is cautioned that the County believes modifications to the standard provisions constitute increased risk and increased cost to the County. Any subsequent negotiated changes are subject to prior approval of the County's Legal Counsel.

BCHC RESERVATIONS:

RFP Amendment, Cancellation and Right of Rejection.

The County reserves the unilateral right to amend this RFP in writing at any time by posting the addendum on the Benton County website at: <https://finance.bentoncountyor.gov/requests-for-proposals/>. BCHC may extend the deadline for submission of proposals by written addendum. Proposers are responsible to view the website periodically for any addendum to the RFP. Proposers shall respond to the final written RFP, its exhibits and attachments, and all addenda. BCHC also reserves the right, in its sole discretion, to reject any and all proposals or to cancel or reissue the RFP. BCHC reserves the right, in its sole discretion, to waive minor informalities in proposals provided such action is in the best interest of BCHC. Where BCHC waives minor informalities in proposals, such waiver does not modify the RFP requirements or excuse the applicant from full compliance with the RFP. Notwithstanding any minor variance, BCHC may hold any proposal to strict compliance with the RFP.

Confidentiality:

BCHC will retain a master copy of each proposal to this RFP, which becomes public record after the notice of intent to award unless the proposal or specific parts of the proposal can be shown to be exempt by law under ORS Chapter 192. If a proposer believes that any portion of its proposal contains any information that is a trade secret under ORS 192.311-431 or otherwise is exempt from disclosure under the Oregon Public Records Law, that proposer shall complete and submit the Attachment 2: Trade Secret Form and a fully redacted version of its proposal.

Proposer is cautioned that cost information generally is not considered a trade secret under Oregon Public Records Law and identifying the proposal as confidential, in whole or in part, as exempt from disclosure is not acceptable. BCHC advises each proposer to consult with its own legal counsel regarding disclosure issues. If proposer fails to identify the portions of the proposal that proposer claims are exempt from disclosure, proposer has waived any future claim of non-disclosure of that information. Proposer Responsible for Incurred Costs. BCHC shall not be liable for any expenses incurred by proposer in both preparing and submitting its proposal or contract negotiation process, if any.

Attachment 2: Trade Secret Form

I am an authorized representative of the Proposer, I have knowledge of the Request for Proposals referenced herein, and I have full authority from the Proposer to submit this Trade Secret Form and accept the responsibilities stated herein.

I am aware that the Proposer has submitted a Proposal, to Benton County in response to County's 1921-19 Request for Proposals and I am familiar with the contents of the RFP and the Proposal.

I have read and am familiar with the provisions of Oregon's Public Records Law, Oregon Revised Statutes ("ORS") 192.311 through 192.431, and the Uniform Trade Secrets Act as adopted by the State of Oregon, which is set forth in ORS 646.461 through ORS 646.475. I have reviewed the information contained in the Proposal. The Proposer believes the information listed in Exhibit A is exempt from public disclosure (collectively, the "Exempt Information"), which is incorporated herein by this reference. It is my opinion that the Exempt Information constitutes "Trade Secrets" under either the Oregon Public Records Law or the Uniform Trade Secrets Act as adopted in Oregon because that information is either:

A formula, plan, pattern, process, tool, mechanism, compound, procedure, production data, or compilation of information that: is not patented,

is known only to certain individuals within the Proposer's organization and that is used in a business the Proposer conducts, has actual or potential commercial value, and

gives its user an opportunity to obtain a business advantage over competitors who do not know or use it.

or

Information, including a drawing, cost data, customer list, formula, pattern, compilation, program, device, method, technique or process that:

Derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and

Is the subject of efforts by the Proposer that are reasonable under the circumstances to maintain its secrecy.

I understand that disclosure of the information referenced in Exhibit A may depend on official or judicial determinations made in accordance with the Public Records Law.

Authorized Representative Signature

Proposer identifies the following information as exempt from public disclosure:

ATTACHMENT C
SPECIAL PROVISIONS (FEMA DISASTER PROVISIONS)

This Attachment shall apply only to those contracts wherein FEMA disaster reimbursements are sought and the services, equipment or material provided by the CONTRACTOR under this agreement are used or employed by COUNTY in response to a FEMA reimbursing event. If no such event occurs during the term of this agreement, these terms shall not apply.

1. Administrative, Contractual, or Legal Remedies

For all contracts greater or equal to \$250,000, which is the current Simplified Acquisition Threshold set by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council pursuant to 41 U.S.C. § 1908, CONTRACTOR agrees to be bound by the administrative, contractual, or legal remedies set forth in this agreement and, the following:

Termination for Default.

a. **Default.** If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the COUNTY may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the COUNTY, the COUNTY may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the COUNTY may procure similar goods or services in a manner and upon the terms deemed appropriate by the COUNTY. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

b. **CONTRACTOR'S duties.** Notwithstanding termination of the Contract and subject to any directions from the COUNTY, the CONTRACTOR shall take timely and reasonable necessary action to protect and preserve property in the possession of the CONTRACTOR in which the COUNTY has an interest.

c. **Compensation.** Payment for completed goods and services delivered and accepted by the COUNTY shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the COUNTY. If the parties fail to agree, the COUNTY shall set an amount. The COUNTY may withhold from amounts due the CONTRACTOR such sums as the COUNTY deems to be necessary to protect the COUNTY against loss because of outstanding liens or claims and to reimburse the COUNTY for the excess costs expected to be incurred by the COUNTY in procuring similar goods and services.

d. **Excuse for nonperformance or delayed performance.** The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the COUNTY within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the COUNTY shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the COUNTY under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.

e. **Erroneous termination for default.** If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this

paragraph, or that the delay was excusable under the provisions of the contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the contract.

Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

2. Termination for Cause and for Convenience

For all contracts in excess of \$10,000, CONTRACTOR agrees to be bound by the termination for cause and for convenience provisions set forth in the contract and subsection 1 above. CONTRACTOR acknowledges the contract has no for-cause termination provision.

3. Equal Employment Opportunity

If this contract is for construction, CONTRACTOR agrees, pursuant to the requirements provided in 2 C.F.R. Part 200, Appendix II, and 41 C.F.R. § 60-1.4(b), as follows:

a. CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

c. CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONTRACTOR's legal duty to furnish information.

d. CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the CONTRACTOR's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

e. CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965 [Part I - Nondiscrimination in Government Employment; Part II - Nondiscrimination in Employment by Government contractors and Subcontractors; Part III - Nondiscrimination Provisions in Federally Assisted Construction Contracts], and the rules, regulations, and relevant orders of the Secretary of Labor.

f. CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

g. In the event of CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

h. CONTRACTOR will include the portion of the sentence immediately preceding paragraph (A) and the provisions of paragraphs (A) through (G) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
