Re: Potential Refund Credits-Appeal Settled DOR PTU 2598264
Date: October 15, 2024

The Comcast Corporation appeal with the Department of Revenue has settled. This appeal involved the tax year 2023-24.

In accordance with Chapter 541, 2017 Oregon Laws (HB 2407), Benton County had issued potential refund credits for the 2023-2024 tax year.

Upon the resolution of the appeal, Benton County can now refund the amount withheld that is in excess of the actual settlement.

Amount withheld from districts	\$790,000.00
Interest earned	\$5,027.89
Returned to taxing districts	\$795,027.89

PLEASE NOTE:

In response to the above settlement, we have increased this tax turnover by the total of \$790,000.00. Each district will see their prorated amount on the bottom of your Tax District report.

The interest of \$5,027.89 will be distributed on the October turnover you receive in November. Each district will see their prorated amount on the bottom of your Tax District report

If you have any questions about these potential refund credits, I can be reached at 541-766-6281 or debbie.bauer@bentoncountyor.gov
