**Re: Formula Error**

**Date: August 12, 2024**

---

Due to a formula error in our worksheet, districts being paid through the pool were underpaid on August 9, 2024. We have scheduled payment for the remaining amount owed. Please see attached PDF that shows what should have been paid and what was paid on 8/9/24 and 8/12/24.

The distribution report for July 2024 that was posted on 8/9/24 is correct.
