DISTRICT OVERVIEW:

This County Service District was created by a vote of the people on May 15, 2012. At the same time voters approved a maximum district property tax rate of \$0.84 / 1000 of assessed value. The district is electing to not assess a tax for FY 2025-26.

The District is a separate municipal entity from the County. By law the Governing Body is the Board of Commissioners. District operations are delegated to County Financial Services Department to manage accounting and budget processes. The County is reimbursed from district funds for administrative expenses.

The District encompasses the same boundary as the Alsea School District within Benton County. The purpose of the district is to supplement the finances of the Alsea clinic founded by Alsea Rural Health Inc. a non-profit formed in 1981, that serves a population of about 1,300 in southwestern Benton County.

The budget shown in this document is only for the resources available to the district to expend. It does not include financial resources and expenditures of the non-profit Alsea Rural Health Care Inc.

District Statement

FY 2025-26 Budget Highlights

The adopted budget is based on no tax collection for FY 25-26. Income assumes a balance rolled over from FY24-25, and nominal amounts for interest and delinquent taxes.

A small number of expenditures are budgeted in FY25-26. These cover costs for advertising and state mandated filing fees and assessments.

In August 2023, the Alsea Health Clinic was temporarily closed to assess its ongoing financial viability. After further review, it was determined the health model provided by the County's Community Health Center could not be financial sustainable for the Alsea Health Clinic. As a result, the collection of taxes was suspended for FY 24-25 until a new solution could be identified.

Members of the Alsea community continue to work with the County and other local, state, and federal partners to identify a permanent solution in meeting the health care needs of the community. There is currently a state legislative proposal being considered to provide support in this effort, and other partnerships and funding sources are being evaluated.

Beyond FY2025-26

The district's purpose is to supplement maintenance and operation of a clinic site in Alsea. The purpose of the district cannot be changed without consent of district voters. The maximum tax rate can never be increased under the Oregon Constitution. Local option levies for up to five years can be approved by voters to supplemental the maximum rate.

A challenge of the district budget committee will be determining what to levy annually within the maximum allowed rate. Effectively, at minimum, this requires input from the ARHC Inc. Board of Directors, Benton County Health Center Administration and the Board of Commissioners. The three commissioners and three citizen members of the Budget Committee have the final decision on the annual budget and tax levy. The Committee will need to decide whether it wishes to continue collection of the levy since the Alsea Health Clinic remains closed and there is currently not an alternative identified to meet the community's ongoing health needs.
