DISTRICT OVERVIEW:

This County Service District was created by a vote of the people on May 15, 2012. At the same time voters approved a maximum district property tax rate of \$0.84 / 1000 of assessed value. The district is electing to not assess a tax for FY 2026-27.

The District is a separate municipal entity from the County. By law the Governing Body is the Board of Commissioners. District operations are delegated to County Finance Services to manage accounting and budget processes. The County is reimbursed from district funds for administrative expenses.

The District encompasses the same boundary as the Alsea School District within Benton County. The purpose of the district is to supplement the finances of the Alsea clinic founded by Alsea Rural Health Inc. a non-profit formed in 1981, that serves a population of about 1,300 in southwestern Benton County.

The budget shown in this document is only for the resources available to the district to expend. It does not include financial resources and expenditures of the non-profit, Alsea Community Action Collaborative.

District Statement

FY 2026-27 Budget Highlights

The adopted budget is based on no tax collection for FY 26-27. Income assumes a balance rolled over from FY25-26, and nominal amounts for interest and delinquent taxes.

A small number of expenditures are budgeted in FY26-27. These cover costs for utilities and insurance, advertising and state mandated filing fees and assessments.

In August 2023, the Alsea Health Clinic was temporarily closed to assess its ongoing financial viability. The County has been unable to meet the operational expenses for the Alsea Health Clinic, of which the transfer from the Service District represents a very small portion.

As of March 23, 2026, Benton County transferred ownership of the Alsea Health Clinic to the Alsea Community Action Collaborative (ACAC), an Oregon nonprofit agency responsible for ensuring activities on the property comply with the deed restriction requiring the provision of social services.

Beyond FY2026-27

The district's purpose is to supplement maintenance and operation of a clinic site in Alsea. The purpose of the district cannot be changed without consent of district voters. The maximum tax rate can never be increased under the Oregon Constitution. Local option levies for up to five years can be approved by voters to supplemental the maximum rate.

A challenge of the district budget committee will be determining what to levy annually within the maximum allowed rate. Effectively, at minimum, this requires input from the Alsea Health Clinic Board of Directors, Benton County Health Center Administration and the Board of Commissioners. The three commissioners and three citizen members of the Budget Committee have the final decision on the annual budget and tax levy. The Committee will need to decide whether it wishes to continue collection of the levy since the Alsea Health Clinic remains closed and there is currently not an alternative identified to meet the community's ongoing health needs.
